3. Bed & Breakfast (chambres d'hôtes)

At home with the Parisians!

Here's a real "two for the price of one" option, because by choosing a room or a studio in a private home, you also experience real life with the Parisians, local customs included!

An ideal choice for long stays or even just for a weekend, staying with the locals often includes a tasty home-made breakfast and the friendly advice of the owners on how to best explore their – and your – neighbourhood!

A number of the professionals listed below have adhered to the "Hôtes Qualité Paris" quality charter for B&B accommodation, drawn up in 2005 by the Paris City Council, the Paris Convention and Visitors Bureau and the participating companies.

Members of the quality charter can be identified by the corresponding logo.
